

## Pollution Order Halts Growth of City, Club Told

There can be no further expansion of Granite City until pollution of the Mississippi river ceases, members of the Granite City Rotary Club were told Tuesday noon by W. W. Hoelscher, chairman of the Citizens' Sewer and Drainage Committee.

"The Illinois Sanitary Board issued an order against any further sewer connections last July 31," he said. "And if we don't voluntarily take steps to halt this pollution, the Board is empowered to mandamus the city council and compel sewage treatment through a forced bond issue."

"We have been advised that such action would be taken with reluctance, but would be taken if necessary."

Appointed on Jan. 27, 1959, by Mayor Davis, the 25-man citizen's committee obtained \$120,000 in federal funds which have been used in making a comprehensive drainage-pollution study, Hoelscher informed the Rotarians.

"Assisting this committee, which is made up of business, labor, industry and public members, have been 13 engineers from local industries. Their help on technical matters has been invaluable."

Hoelscher reviewed efforts to obtain \$10 million in aid for the project from the East St. Louis and Sanitary District, which failed because of Gov. Otto Kerner's veto, and said the original \$16 million total project is now being curtailed, with priority going to pollution treatment and related drainage.

"We are currently preparing this engineering report to submit to the city council for action," he said.

Of the estimated \$7,750,000 cost of the reduced project, \$2,250,000 is expected in the form of levee district and federal aid, and the rest will be borne locally.

Pictures of the interior of Granite City sewers, showing their condition, were exhibited by Edw. Juneau, member of the Sheppard, Morgan & Schwab engineering firm which made the study. Many of the sewers were half full in dry weather and others were badly deteriorated.

During a lively question and answer period, Don Cairns, industrial engineer working voluntarily with the committee, said the proposed first phase of the total project will separate storm water drainage from sanitary flow, thus reducing the size and cost of the treatment plant from \$2,900,000 to \$1,000,000.

"This also will eliminate sewers backing up into basements, causing heavy losses and inconvenience," he emphasized.

A special guest at Tuesday's meeting, introduced by President Edward Meng, was Lt. Col. John M. Ansley, new commandant at the Granite City Engineer Depot.

### Karandjeff Tells Club Lake Park Is Needed

Needed recreation for Madison-St. Clair counties' nearly half-million persons would be provided by a Horseshoe Lake State Park, Henry D. Karandjeff told the Granite City Kiwanis Club Monday evening.

The Granite City banker said the two-county area is the state's largest industrial area outside of Chicago, and needs recreation facilities not only for the working people, but also for the young people and senior citizens.

Speaking at the club's regular weekly dinner meeting, Karandjeff said the need for a park at Horseshoe Lake has been recognized for a long time. In the early 1900's, he noted, a streetcar line ran to the lake from Granite City, and many of the metropolitan area's citizens used the lake for recreation.

Initial attempts at creating a park there came in 1930, the speaker said, when an effort was made to promote a Madison county park. But these efforts failed for lack of finances, he said.

Karandjeff said Illinois is behind other states in creation of parks, with less than 34,000 acres in park land. He said a commission, of which he was a member, created in 1955 to study possibilities of a Horseshoe Lake park recommended purchase of 773 acres at the lake and completion of the park.

The Illinois General Assembly passed a bill providing for the park this year, but it was vetoed by Gov. Otto Kerner because of insufficient revenue.

## American Steel Corporate Name Change Is Planned

American Steel Foundries is planning to change its corporate name to AMSTED Industries Incorporated, it was announced Tuesday at Chicago by Joseph B. Lanterman, president, who said the name change is subject to stockholder approval at the firm's annual meeting next Jan. 25.

The local plant will continue to be known as American Steel Foundries Incorporated.

Lanterman told shareholders the company's diversification program has made the American Steel Foundries name "descriptive of only a portion of the company's business."

Acquisitions and new product development during the past 11 years have taken the company into production of roller chains and sprockets, small precision machine tools, cast iron pressure pipe for water mains, and the application of protective coatings to steel pipe for the oil and gas industries.

To preserve the substantial commercial value of the American Steel Foundries name, established over a period of 60 years, the transportation equipment division and the Hammond division will be operated as American Steel Foundries Inc. corporate.

The company also reported sales and net income decreased

from year earlier levels in its 1961 fiscal year ended Sept. 30. Sales and earnings in the September quarter also were slightly below a year ago.

In fiscal 1961 the company had net income of \$3,909,342, equal to \$2.17 a share, compared with \$7,709,353, or \$2.66 a share, in fiscal 1960. Sales decreased to \$106,711,000 from \$120,141,832.

In the quarter ended Sept. 30, net was \$1,709,353, or 60 cents a share, compared with \$1,873,418, or 64 cents a share a year ago. Sales slipped to \$26,097,373 from \$28,188,373.

"Despite the business recession and generally slow demand for some of the company's railroad products, earnings held up well," Lanterman commented. He noted the company's wide range of product lines made possible by its diversification program prevented earnings from falling to considerably lower levels.

"The ASF president said that, even though a substantial improvement in earnings will not occur in the first fiscal quarter, all indications point to a good year in 1962."

At the board of directors' meeting on Tuesday, a dividend of 40 cents per share was declared payable on Dec. 15, to stockholders of record as of the close of business on Nov. 20.

## Kansas Asks Death For Accused AWOL Killers

Two AWOL soldiers accused of killing seven persons, including two in Madison county, are on trial at Russell, Kan., where the state is asking the death penalty for the slaying of a Kansas railroad worker.

The trial began Monday for James Douglas Latham, 19, of Mauriceville, Texas, and George Ronald York, 18, of Jacksonville, Fla., who are charged with murder in the first degree in the June 9 killing of Otto Ziegler near Sharon Springs, Kan.

The two were indicted in September by a Madison county grand jury for the slayings of Martin Drenth, 69, of Mitchell, and Albert E. Reed sr., a 35-year-old Litchfield man. Both killings occurred June 7.

Drenth was stabbed and beaten to death at his Twin Oaks service station on Highway 686 just east of the Chain of Rocks canal, and Reed was found shot to death in a drainage ditch near Peters Station.

## Hallow'en Parades

(Continued from Page 1)

Judy Conreux, 2817 Washington avenue.

Best groups: first, Mrs. Joyce Hand and John and Debby Hand, 2014 Meridian street; second, Shirley, Nancy and Don Kramer, 3200 Erie drive; and third, a Youth Group, 31 Zion General Baptist Church, led by the pastor, Rev. Truman Collins.

The route from the city hall along Niedringhaus avenue, State street, 19th street and again Niedringhaus avenue to return to the city hall was led by Boy Scouts carrying colors and the Granite City high school band. Every available policeman was on duty to direct traffic and also lead the parade.

Members of the Moose lodge directed the activities, and Joseph Jackowski, co-chairman of the parade with Edward Chastain, awarded the prizes. Merchandise awards and gift certificates were donated by local merchants.

Venue Parade

In Venice, 44 prizes were awarded in a variety of categories, after an estimated 600 costumed persons had marched in the parade down Broadway.

Judging was done on the Venice high school grounds, with light provided by a huge bonfire, the Venice fire department emergency lights, and the headlights of 10 cars parked around the edge of the area.

Refreshments, provided by Milton Morris, who co-sponsored the event with the high school student council, were served to all those present and a tent featuring horror displays added to the entertainment.

The parade formed at 7:30 p.m. at the corner of Second and Hampden streets, then proceeded via Second, Keeler and Third streets to Broadway and then to the school.

The Venice Lions club assisted in organizing the parade, and led the marchers with torches. Lions club members also served as street-crossing guards and carried torches to aid lighting for judging.

Mary Margaret Caruso, a member of the student council, was parade chairman. Others members of the council who served on various planning committees were Betty Bauer, Marilyn Hasty, Jane Dolan, Sharon Frawley, Frank Bartlett, Karen Rodgers, Marilyn Gopher, Peter Fields, Michael Lerner and Diane Wilcox.

Stop Light Charge

Charged with running a red traffic light at 29th street and Madison avenue Tuesday morning was Mae Massie, 62, of 14 Terrace lane, who posted her driver's license as bond.

## Four Injured In Three Auto Accidents Here

Four persons, one of them a five-year-old girl, were injured in three of 16 auto accidents occurring in the Quad-Cities since Monday. Charges were filed by police against two of the drivers involved.

Pamela Nelson, five, who lives at 1416 Third street, Madison, escaped serious injury when she ran into the side of a car in front of 1424 Third street at 4:30 p.m. Tuesday.

She was taken to St. Elizabeth Hospital with lacerations to the chin and abrasions to the forehead, and underwent x-ray examination. She was admitted to the hospital, where her condition is listed as satisfactory.

Driver of the car, 61-year-old William C. Brannan of 2673 Adams street, told police he was driving east on Third street when the child ran from behind a parked car into the right rear of his vehicle.

He said he did not see her, but believed another child was chasing her at the time. No charges were filed.

**Driver, Passenger Hurt**  
Robert Koch, 42, and Charles E. Koch, 43, both of 1009 Pontiac road, complained of injury Monday at 8:30 p.m. after the car in which he was driving was involved in an accident at 23rd street and Madison avenue.

Police reported that the car was headed north on Madison, had stopped at 23rd to make a left turn and was struck in the rear by an auto driven by John P. Danco, 19, of 3200 Carlson avenue, who was charged with following too closely. Danco posted his driver's license as bond.

Clayton B. Freeman, 41, of 119 Briarcliff, who complained of injury, was charged with making an improper right turn yesterday at 11:05 a.m. after the car she was driving collided with an auto driven by Donald D. Schanche, 20, of Rural Route One. Police said that both drivers were headed south on Madison avenue. She posted her driver's license as bond.

## Madison Jr. High To Hold Open House

In observance of American Education Week which starts Sunday, an open house will be held at Madison Junior High school Monday night from 7:30-9:30. Principal Donald Purkale announced today that all the teachers will be in their homes to meet the parents of their students.

Purkale added that the teachers will discuss the problems that occur within their own areas of instruction and refreshments will be served.

## Thieves Tear Down House

(Continued from Page 1)

A 150 a. m. police said May had blood on his coat and hands, apparently from his attackers as he had no visible marks or cuts. He was taken by the police to a tavern in the North Venice area, but they failed to find the strongman pair.

A suspect picked up later was released without charge after police were convinced he had no connection with the crime.

**K. Of C. Burglary**  
Burgars broke a window on the north side of the Knights of Columbus hall, 2052 Edison avenue, and entered the building Monday night. John Klug, bar manager, reported to police Tuesday morning that six bottles of whiskey were taken and pennies from the cash register were missing.

Mrs. Cleo Evans, 2858 State street, reported to police Monday afternoon that the two rear hubcaps from her 1961 automobile were stolen the night of Oct. 25 while it was parked at 24th and Iowa streets.

Eight gallons of gasoline were reported stolen from a car belonging to Kenneth Martin, 4602 Kirkpatrick homes.

Ray Wilson, 2129 Missouri avenue, reported to police yesterday morning that 15 gallons of gas was stolen from his car Monday night and 10 gallons the following night.

James Goodrich, 3116 Willow avenue, reported to police yesterday that the cigarette lighter and radio knobs were stolen off the dash board of his auto while it was parked at 21st and State streets.

## Driver Stops Car; Hits Bystander With Board

Howard Wholsey, 47, who gave police his address as the Stevens Hotel or Indianapolis, Ind., pleaded guilty before Police Magistrate Gasparovic Tuesday to a charge of aggravated assault. The magistrate took the case under advisement until Nov. 15 and Wholsey was released on \$1500 cash bond.

Police reported that Wholsey was arrested at 7:45 p.m. Monday in the 1600 block of Poplar street after he had hit 10-year-old Victor Lloyd of 1602 Poplar street, in the head with a three foot 2x4. Wholsey claimed that his car had been pelted with eggs so he turned around and went back to the scene, stopped his car, got out and found the Lloyd boy who claimed he had no part in the egg throwing.

Wholsey was taken to St. Elizabeth Hospital where he was x-rayed and treated for a three-inch gash to his head and released.

## Chamber Orchestra Opens Concert Season Monday

The Tri-City Community Concert Association's ninth annual season will open here Monday night with the appearance of the Netherlands Chamber Orchestra in an 8 p.m. concert at the Granite City senior high school auditorium.

The 24-piece orchestra, which specializes in chamber music, is directed by Polish-born Szymon Goldberg, who is also first violinist and principal soloist with the group.

Composed of 23 strings and a harpichord, the orchestra is currently making its first tour of the North American continent. Recordings of the group's performances have been available here for several years, however.

Members of the local concert association, which conducted a membership drive last spring, were admitted to the concert upon presentation of membership cards.

Three additional concerts will follow Monday's performance of the TCCCA schedule, and members are also entitled to attend at concerts sponsored by similar groups in Alton and Belleville at no additional charge.

## Madison Council Opposes Planned Railroad Merger

Madison's city council Tuesday night approved a resolution opposing the proposed merger of the New York Central and St. Louis (Nickel Plate), the Western, and the Norfolk and Western railroads.

Mayor Maeras introduced railroad employees A. E. Fisk, chairman, and W. W. Martin, who were representing a newly-formed organization, the Anti-Merger Employees United; and Martin told the council members that the merger would result in the railroad's skirting of the St. Louis area and a loss of westbound freight traffic now being handled in this area.

He added that there would be an 85% cutout at the Terminal railroad alone and stressed the loss of employment throughout the area.

**Possible Tax Loss**  
Maeras echoed Martin's sentiments and pointed out that from the taxation standpoint, "taking in Madison and its school district, it aggregates \$60,000 a year. We want to help the anti-merger movement because 91 employees from Madison would be involved."

"Using the national average of 3.7 members per family, that's over 300 mouths. It would have a terrible effect on our economy," Maeras said.

Martin and Fisk submitted a resolution opposing the merger and Alderman Raymond Kosielec moved that it be read by City Clerk Percy Lux. After the reading, Alderman Emil Ulaniski called for adoption and for a copy to be forwarded to the proper authorities.

**Urges Telegrams**  
Fisk pointed out the resolution may be tied up for several days in Washington, D. C., and asked the mayor to send a telegram stating the council's opposition to the proposed merger.

Maeras said telegrams would be sent to Senators Paul Douglas and Everett M. Dirksen informing them of Madison's stand. The legal department was instructed to draw up a resolution to be forwarded to the Interstate Commerce Commission.

In other business, Alderman Richard George, chairman of the purchasing committee, reported a contract for furnishings in the newly remodeled police department headquarters was awarded to the low bidder, Triangle Typewriter & Supplies of Granite City for \$1869. He explained the original bid of \$2132 was in error because two sofas were included instead of one.

Six appointments to Madison's auxiliary police force were approved as recommended by Civil Defense Director Harry Johnson and approved by Chief of Police Barney Fraundorf. The new auxiliary policemen are: Frank Hale, 1713 Rhodes street; Clarence H. White Jr., 2055 (rear) Sixth street; George Lynn, 2013 Fourth street; Larry G. Webb, 115 Grenzer homes; Carl Mainbridge, 1216 G-and-A avenue; and Taylor Page, 1726 Edwardsville road.

In closing, the mayor read a letter from the state department of public works and bid, requesting approval of the appropriation of \$7000 from the city's motor fuel taxes for the installation of stop lights at Madison avenue and Sixth street.

## Sentenced To County Jail On DWI Charge

Charles King, 50, who told police he has no home address, was sentenced to six months in the county jail this morning by Police Magistrate Gasparovic. King, who was arrested last night at Faith and Myrtle avenues, was given the sentence upon pleading guilty to a charge of driving while under the influence of liquor.

He also pleaded guilty to charges of operating a motor vehicle without a driver's license and was fined \$30 and to driving without lights for which he was fined \$10. He pleaded innocent to additional charges of leaving the scene of an accident and using profane language.

## Madison Jayvees Notch First Win; Top Highland, 20-18

A deflected pass which resulted in a 60-yard touchdown play with nine seconds remaining in the game gave Madison's junior varsity football team its first win of the season Tuesday. The Little Green edged Highland's Jayvees, 20-18 at Madison.

Coach Bob Page's squad, by winning their final game of the year, posted a 3-7-1 record. They tied Bethalto's junior varsity.

Leading 14-9 at the halftime Tuesday, Madison scored their Tuesday, Madison scored its first touchdown on the first play of the game from scrimmage. Lester White crashed off tackle for a 35-yard gain and fumbled as he was being thrown to the ground. Teammate Gary Skinner gained possession of the loose ball and carried it 25 yards into the end zone. Skinner then passed to Steve Konuch for the conversion.

Madison's second score came in the first quarter also. Skinner hit Clint Robinson on a 55-yard pass play and Darrell Boyd ran for the extra point on a reverse. Highland scored once in each of the second and third periods on short plunges. Then, in the fourth quarter, the Bulldogs put two long passes together to score with just two minutes remaining in the game. They took the lead, 18-14.

With nine seconds left, Skinner new to White and a Highland defender deflected the ball into White's hands. He took the 25-yard aerial and raced the remaining 35 yards to paydirt as the game ended.

## Contract Prospects Bright For Claude; 75% Right In Picks

Claude the Computer apparently won a contract renewal last week by selecting eight winners in the 10 area prep football games he considered.

The Press-Record's brain child, who bounced around in the 60% correct area for a couple of weeks this season, has apparently been able to put to good use the additional information fed to him in the later weeks of the season.

Anyway, he now has a record of 57 correct selections in 76 contests, exactly 75%. Claude

was fed tape with data on 24 teams this week, and was a bit wary in his predictions, since seven of the 12 games on tap Friday and Saturday are of the non-conference variety.

Close to home, Claude has been within two points of the correct spread where Granite City is concerned for the past three weeks. Tomorrow night, he sees the Warriors experiencing little trouble with a visiting Quincy team.

## Venice HS Red Devils Rehearsing For Basketball Opener On Nov. 17

The 1961-62 basketball season is just two weeks from opening night, at least for one of the four Quad-City area high school clubs.

At a time when most other schools are still enrolled in football battles, the Venice Red Devils are busy preparing for a season opener which will take them to Waterloo Nov. 17 for a non-conference game with St. Peter & Paul.

Since mid-October Coach Bill Ohlendorf, an August graduate of Drake College at Des Moines, S. C., and native of Venice, has been putting 12 varsity candidates through the usual pre-season practice work.

#### Height Present

Ohlendorf, now at his job after replacing 15-year veteran coach Zehn Wolk, apparently will have the height if not the experience which wells did not have present last season.

## Trojans Idle; Host Gillespie Wednesday

Madison's Midwestern Conference champion Trojans are idle this week. Coach Glen "Pick" Pickering explained that a home game was originally scheduled for tomorrow night with Benita but the school consolidated with Gillespie.

"Because the new school was faced with having to honor two separate football schedules the only date we could agree to play on was next Wednesday at Madison," said Pickering.

Meanwhile the Trojans are practicing every day in preparation for their final game of the season, a 5-1 record. Madison could finish with one of the finest records in the area this year with a win Wednesday night against Gillespie.

"Pick" and Assistant Coach Joe Asperger are concentrating on pass defense this week in practice.

"I've only seen Gillespie once this year," says Pickering, "and that was against Southwestern in the mud. They threw eight passes that game, so any team that'll throw that much in the rain is bound to pass a lot in better weather conditions."

There were no injuries reported in the Trojan camp as of noon today. They will be shooting for their sixth straight win against Gillespie.

## YMCA Girls' Winter Program Announced

The local YMCA girls' department will begin the first in a series of winter physical and recreational activities on Monday, Women's Day. Director Mrs. Lee Pfaff will lead the girls in separate swimming classes, with placement of the individuals, depending on their proficiency, will be offered. They will include beginning swimming through a junior life-saving course and diving instruction.

Baton twirling, a "mak-it" class, physical fitness and girls' gymnastics groups are also scheduled to hold their first classes next week. Girls may register on Thursday, Nov. 9, from 7 to 9 p. m., on Friday, Nov. 10, from 9 a. m. to 5 p. m., and on Saturday, Nov. 11, from 9 a. m. to 4 p. m. Additional information on all classes is available from Mrs. Pfaff at the YMCA.

## Midget Champs Rams, All-Star Team Play At GCCHS Grid Game

The league champion Twilight Optimist Rams will tackle an all-star team made up of players from four other clubs in the park district's touch football midget division as a special attraction between halves of the Granite City-Quincy high school football game here tomorrow night.

The Rams clinched the division title last week, and are currently unbeaten in six games. Players from the Falcons, Seebold Concrete, the Cardinals and Bears will staff the all-star roster.

Members of all teams in both the Midget and older Junior divisions will be the guests of the GCCHS football team for Friday's game, and will be admitted at the east gate to the field.

## Park Girls' Bowling Program Opens Sat.

A Granite City park district-sponsored bowling league for junior and senior high school girls will begin Saturday morning at Big Top Bowl on Nameo-ki road.

The program will continue for 27 weeks, with 9 a. m. and 1 p. m. sessions to be held each Saturday. Bowling shirts will be furnished to participating girls who may sign up as five-member teams or individually for assignment to teams.

Girls will be charged 25 cents per game, and in league competition will roll two games each Saturday. Bowling shoes will be available for rental.

Park District Recreation Director Harold Brown said 26 years' bowling in the girls' league last year, and that he expects twice that number this year.

# 25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

Nov. 2, 1936

More than 300 persons were seated at the banquet tables of Podkrepa, a Bulgarian-Macedonian mutual aid society, last evening when it celebrated the tenth anniversary of its organization at the Crystal ballroom on Madison avenue in Madison.

Membership in the society is limited to persons either of Bulgarian or Macedonian nationality and its headquarters are in this city. Its membership is scattered throughout an area of about a 160 mile circle around St. Louis. When it started 10 years ago, it had a membership of 37. Its present membership is 230 in good standing and includes many of the most prominent Bulgarian and Macedonian citizens in this community. Its present president is Christ Louis, proprietor of the Madison Coal and Feed Company. Gregory Vasil is the present secretary and John Kirchoff is treasurer. When appetites had been appeased, Toastmaster James Popovsky spoke at length in his own language and recited the accomplishments of the order. At the conclusion of his remarks, he introduced the following past presidents who were present: Mike Gashatoff, John Kirchoff, Louis Gushoff, John Gushoff, John Christoff and Christ Louis. Other speakers who were introduced and who spoke of the benefits of fraternal work were: Mrs. Vasil Stepanoff, Mrs. Andrew Roof, Andrew Roof, Andrew Falchoff and Paul Klashoff.

Mr. and Mrs. J. Boyer and son, Donald, were entertained yesterday in the home of Mr. and Mrs. Fred Stevens, 3711 Buxton avenue.

Mrs. F. G. Stephens of State street entertained with two children parties Saturday, both Halloween affairs. The first was given in the afternoon for her nephew, Timmo Marcellan, of St. Louis. The hours were from 3 to 5. The boys present were Walter Pearson, Gordon Rhine, Mac Lewis, Tommie Pauly, Delbert Landers, James Malotki and the honoree. There were Halloween games and contests and prizes were won by Delbert Landers, Timmo Pearson and Timmo, a third favor going to Tommie Pauly, who is leaving soon with his parents to make their home in California. The second party took place in the evening for seven to ten o'clock and little Miss Gloria Stephens, daughter of the hostess was honored guest. The children were in masquerade costumes and prizes were won by Robert Hausauf, Robert Houston Roy Massey. Others invited were Eleanor Landers, Mildred Kunne, Margaret Shaw, Gene Kathryn Compton, Jerry Van Tassel, Timmo Marcellan, Alvin Bonn, Robert Stanfill, Robert Roman and Howard Royff.

The Ladies' Auxiliary of St. David's Society held its annual Halloween party last Thursday evening in the home of Mrs. D. C. Vaughn. All were masked and there was a wide variety of costumes worn by the various members of the group, many of them being quite weird and grotesque.

The games too were in keeping with the day as was the luncheon served later in the evening, and the following were those participating: Mrs. Francis Lynch, Mrs. Joseph Williams, Mrs. Frank Watkins, Mrs. T. H. Thomas, Mrs. T. Henry Thomas, Mrs. Ben Thomas, Miss Lillie Reese, Mrs. Dawson Pugh, Mrs. John Morgan, Mrs. Arthur Kennedy, Mrs. J. A. Jones, Mrs. Earl Galloway, Mrs. Graham Holland, Mrs. Virgil Hollis, Mrs. George Hill, Mrs. B. Hill, Mrs. John Griffith, Mrs. David Evans, Mrs. W. L. Davis, Mrs. W. J. Davis and the hostess.

Another of the many Halloween parties over the weekend was one with Miss Florence Elmore as hostess at the home of her parents, Mr. and Mrs. John Elmore of Denver street, last Friday evening. Various seasonal games were played, among which was a treasure hunt, after which the remainder of the evening was given over to dancing. During the festivities, lunch was served to the following: Misses Maxine, Jean and Ruth Wyatt, Pearl Reading, Isabel Edington, Tommie Mae Cawwright, Irene Scott, Altha Meeks, Kathryn Bloodworth, Mary Elinor, Myrtle McCamish, Jerry Wretling, Afline Bloodworth, Perry Wickam, Junior Woods, Eddie Goad, J. C. Ritchie, Robert Davis, Norman and Charles Hancock, Marshall Wyatt, Harold Adams, J. D. Sparks, Ruty, Marvin, Fritz and Richard Elmore, Roy Terry, Irene Terry, Clifford Potts, Mr. and Mrs. Elmore and the hostess.

Mrs. E. A. Hemphill of New York City was a recent visitor at the home of E. R. Neece and family, Mitchell, Mrs. Neece and children, June and Victor, with Mrs. Sam Owens, Junior and Leroy Owens, spent the weekend in Hot Springs, Ark.

With the assembly room of the YMCA artistically decorated with black cats, halloween and various other spooky symbols, the Treble Clef Choral Club staged its annual Halloween party there last Friday evening. All members attending wore masquerade costumes, many of

which were quite original. Games appropriate to the season occupied most of the evening and the room rang repeatedly with laughter instead of the usual musical tones that emanate from their meeting place.

Production of tin plate by the Granite City Steel Co. during the present year will be approximately 20% greater than 1935. "Last year our mill produced enough tin plate to make more than 300-million tin cans; this year we will produce an amount sufficient to make about 370-million such cans," it was stated by Hayward Niedrighaus, president. That is enough tin to make several cans for each person in the country. It is equal to 4% cans per person.

The "English Four" class of the Venice high school was one of many groups in this community who commemorated the Halloween season with an appropriate ceremony when they staged a masquerade party last Friday evening at the high school with Miss Morene Groshong as sponsor and their faculty as special guests. Various Halloween games were included in the fun and prizes were awarded to Virginia Hoover, Alfred Pace and Virginia Painter. Dancing also occupied a considerable portion of the evening, and finally, all assembled in the class room where a dainty Halloween luncheon was served at tables decorated in appropriate color schemes. Those seated at the tables were Mr. and Mrs. J. H. Gore, Miss Alice Bahl, Miss Blanche Dollins, Miss Morene Groshong, Mr. Halbert Fletcher and Miss Naomi Beithard, all as special guests, and the following class members: Doris Gronson, Bertha Scott, Jessa Gonterman, George Fisher, Hoover, Virginia Kutz, Alfred Pace, Virginia Hoover, Sam Wolf, Howard Musick, Earl Byrnes, George Fisher, Charles Byrnes, James Jeffries and Venida Raab.

**PARTY AT CHURCH**  
A Halloween party was held Tuesday evening at the Mitchell Presbyterian Church. Mrs. Agnes Butler was chairman and guest, George Fisher, Charles Byrnes, James Jeffries and Venida Raab.

In a contest, the judges selected the following winners: Mrs. Avon Young, Gene Shaw, Gene Howard, Sally Gattelman, Patti McKay and Bella Rae Blankenship. There were approximately 40 children and adults present.

**REVIVAL OPENS**  
The First Baptist Church of Mitchell held services Sunday in the new building at 608 English place. The members formerly held services in a residence on Barkley street.

Revival services started Monday evening and will continue nightly through Nov. 12. Rev. Keith Stanford of Suburban Baptist Church will be a guest speaker assisted by Rev. Ralph Craycraft, pastor, who will lead the singing. There will be special singers. The public is being invited.

Junior C. Mathis, son of Mr. and Mrs. James Mathis, 4900 Hills avenue, left Wednesday from St. Louis for Lackland Air Force Base, Tex., to begin basic training with the Air Force. The June graduate of Granite City high school enlisted recently.

Mr. and Mrs. Robert E. Weeks, Mr. and Mrs. W. O. McGriff and Mrs. Charles Wilkins and son, Jeffery, returned Sunday from St. Elizabeth, Mo., where they spent the weekend visiting relatives.

Girl Scout Troops 162 and 171 went hiking Tuesday afternoon. The girls carried refreshments and finished a meeting with the friendship circle.

Leonard Weeks returned home Sunday from the St. Joseph's Hospital in Highland where he spent three days for dental care.

300 POUNDS OF SAND is scooped out of a 24-inch line along 28th street between State street and Grand avenue every time this bucket is run through. The sand settled in the line from the Terrace lane breaks and about 25 tons is being removed from a 300-foot section. Jack Garrison is operating the street department sewer cleaning equipment.

## 25 Tons of Sand Found In Sewer Line

Removal of fine sand from a 24-inch sewer line along 28th street is continuing. It was learned this week from Supt. of Streets William Warfield, who said tests made Monday indicate the sand is from the Terrace lane break.

More than 20 tons already have been removed from a 315-foot section of the line between State street and Grand avenue. If the line is half full, then we have another five tons to remove and then the sewer cleaning crew will move east to clear the line to Iowa street," Warfield said.

Work was started last week in clearing the line and it was hoped the debris included a large amount of the fine sand. An engineer was called to the scene Monday and tests showed it to be of the same type as at the Terrace lane break.

Supt. Warfield said it is likely

## Watches Accident

Jack Cochran, 19, of 1808 Madison avenue, told police that he was in the Big Top Bowl Monday at 6:20 p. m. when he looked out into the parking lot and saw another car collide with his parked auto. He wrote down the license number of the other car as it drove away. Authorities are looking for the owner of the vehicle.

## Nameless Road Accident

Police said there was damage to the rear of an auto driven by Willie M. Greer, 50, of 4105 Braden avenue, and to the front of a car driven by Coleen Weston, 17, of 2615 Edwards street, as the two autos collided at Nantoli and Ponton roads Tuesday at 6:05 p. m. No injuries were reported.

The sand had accumulated over a period of years, settling in the 24th street sewer after being washed into the sewer through the Fehling road 1/2 ft station.

## GC Realtors Seek Tax Assessment Equity In County

Members of the Granite City Real Estate Board voted during a special meeting Monday afternoon to support the Finance Committee of the Madison county board of supervisors seeking emergency tax relief for the county during the current special session of the state legislature.

Sam W. Wolf, president of the local group, said the realtors at the same meeting decided to ask the county board to take immediate action to correct existing inequities in real estate assessments between townships in the county.

A letter has been sent to Gus Haller, chairman of the county board, advising him of the action taken by the Real Estate Board at the meeting held at the Elks Club with over 80% representation. The decision was by a majority of the members present.

**No Tax Rate Boost**  
Wolf stressed the realtors' action does not in any way endorse a tax increase for the county, but merely is for a continuance of the 30-cent rate imposed during the past 10 years, and recently cut to 5.66 cents by a state supreme court ruling. The county's loss of revenue is expected to be \$300,000 a year.

In the letter to Haller over the signature of Richard Reber, chairman of the realtors' tax committee, the local real estate board said:

"After a careful study of the request, it is the opinion of the board that the county of Madison should be granted a temporary two-year extension of the existing general fund tax rate of 10 cents.

"We must further state that we have very strong feelings and convictions about our decision and must emphasize a and make a part of this letter our precise reasons for offering our support.

"Consideration was given to the alternate solutions available to the county should their request for temporary relief not be granted, such solutions being — a reduction of services now being provided to all county residents; a special referendum election; to provide for a permanent general tax rate of 10 cents, which election would cost taxpayers approximately \$40,000 with no assurance of adoption and which the county cannot afford; and issuance of tax warrants which would offer no solution but instead would compound the overall indebtedness.

"We believe the solutions offered above are unacceptable to us as a board and as taxpayers since they provide no solution to the county's long term financial problem.

**Existing Inequities**  
"Our support of the two-year tax rate extension is given with a request by the Granite City Real Estate Board that the Madison county board of supervisors take immediate action to correct existing inequities in real estate assessments between townships. We cannot stress this action too strongly since we feel that correction of these inequities will offer a partial solution to the County's financial dilemma.

"General equalization of real estate tax assessments between townships, and assessment procedures, should be subjected to a complete review. A survey of real estate tax assessments by township was conducted by our board two years ago which revealed that a number of townships had been under assessed in violation of directives issued by the State Department of Revenue and the Madison county state's attorneys office, thereby placing an undue burden on taxpayers in those townships conforming to said directives. Measures to correct these inequities could, and should be initiated by the Madison county board of supervisors.

"We greatly appreciate our recent opportunity to meet with the county board of supervisors finance committee and sincerely hope that future meetings can be held to discuss our mutual problems."

## Shelters High On List Of Civil Defense Aims

A promise to keep civil defense a truly civilian organization even though its control this month shifted to the Department of Defense has been issued.

### Dual Purpose Fallout Shelter

to all CD directors in this area by Robert S. McNamara, Secretary of Defense. "Let me begin by assuring you that the Office of Civil Defense is being replaced by a new 10-inch-thick two-lane pavement and relocated alongside roadway new under construction. In center background is Illinois Terminal Railroad 946 pass.

Granite City PRESS-RECORD Page 12 Thurs., Nov. 2, 1961

In the Office of the Secretary of Defense is, and will remain, a civilian organization, with a civilian staff under civilian control," he said.

The statement was part of a memorandum which outlined plans and programs designed to carry out the department's new responsibilities in civil defense. The shift of authority was by presidential order.

"In a thermonuclear age, civil and military defense are necessarily closely related, and we expect to draw on the capabilities of a number of military elements of the department without detracting from their primary combat responsibility," McNamara stated.

Seeks Suggestions

Emphasizing the preliminary nature of the report, McNamara said he would consider the suggestions and comments that it evokes from civil defense workers more important than information in the report itself.

First priority under the new program will be a fallout shelter survey, to provide 30 to 40 million shelter spaces plus learning where they are located in relation to population and priority targets.

"We are operating on the principle that we cannot decide what we need in the way of shelter until we know what we have already," the defense chief observed.

The survey will identify and mark the largest amount of space now available at low cost for a substantial portion of the population. The space will be stocked with items necessary for survival.

Shelter Instruction

McNamara pointed out that the Army Corps of Engineers and the Navy Bureau of Yards and Docks already are furnishing personnel, mostly civilian, from each of their districts who will instruct others in identification and marking of available fallout shelter space in existing buildings, tunnels, subways, caves and other protected areas in the U. S.

The second group will contract with private architects and engineers to conduct the national fallout shelter survey. Throughout the program, those in charge of the survey will cooperate with and seek the assistance of local civil defense officials.

President Kennedy's program also includes a \$10 million fund for pilot projects to modify shelter space in existing federal buildings to learn how capacity

and protection levels can be increased, and a \$7.5 million fund to incorporate dual purpose shelter space into some new federal buildings.

Warning System Tests

"Since shelter effectiveness is improved by an adequate warning system, we are proceeding with system tests in Michigan for the near system," McNamara stated. "When these tests have been completed, we expect to begin installation of the Near system on a nationwide scale."

The president's program also includes funds to improve the national emergency communications about 4 p.m. yesterday. No dimensions and warning systems, and to provide an additional supply of dose-rate meters and dosimeters for radiological monitoring points. Another phase is an

expanded program of research and development.

"I recognize that close and sympathetic relationships with state and local organizations are vital to the effectiveness of the national program," the report continues.

"In our regional organization, we expect to emphasize the importance of ideas and suggestions flowing up from the state and local level, in developing future plans and programs."

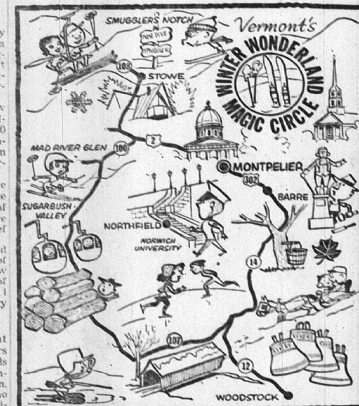

### Weed Fire

A weed fire at 19th street and railroad tracks was extinguished about 4 p.m. yesterday. No dimensions and warning systems, and to provide an additional supply of dose-rate meters and dosimeters for radiological monitoring points. Another phase is an

### Pleads Innocent To Destruction Charge

Donald Marshman, 32, of Bucyrus, Ohio, pleaded not guilty before Police Magistrate Gasparovic this morning to a charge of destruction of property filed by Walter Sparks, owner of the Shell service station at 20th street and Madison avenue.

Marshman was released on \$10 cash bond to return for a hearing Nov. 9.

Police reported that Marshman was driving south on Madison last night at 11:30 when he pulled into the closed service station to turn around. In doing so, he knocked over one gas line pump and the canopy over it. No injuries were reported and there was no fire.

### Tavern Hours Appeals Planned Here Nov. 12

Every church in the Quad-City area has been furnished with petitions calling for the shortening of tavern operating hours in unincorporated areas of Madison county, a spokesman for the Tri-City Ministerial Association said this morning.

A drive to get signatures on the petitions, which will be presented to the Madison county board of supervisors, will be undertaken beginning Sunday, Nov. 12, he added, when ministers will appeal for support from their pulpits.

The petitions, which are part of a ministerial association drive to get tavern hours set back from 2:30 a.m. to 1 a.m. on week days and from 3:30 a.m. to 2 a.m. on Sundays, also are being circulated in unincorporated areas.

Until a meeting of the county board last July, tavern hours were set at the times which the ministerial association seeks to restore through petition. At the

Rev. and Mrs. William S. Sipes, 3725 Joyce avenue, are announcing the birth Tuesday at Alton Memorial Hospital of a son weighing nine pounds 11 ounces. He has been named Kent William. The Sipes have two other children, Kathy, seven years old, and Kevin, five.

Rev. Sipes is pastor of the Bellemore Assembly of God Church.

July meeting the supervisors unexpectedly voted 37-4 in favor of extending the hours to the present times.

Representatives of the ministerial association hope to arrange a meeting with the liquor committee of the supervisors' board this month, then to meet with the full board at its December meeting, when policies for the coming year will be adopted.

\$181,515 Repair Bill

To date, \$181,515 has been spent on repairs to five breaks in a 1150-foot section of the line about 18 feet under Terrace lane, and another break committee of the supervisors' board this month, then to meet with the full board at its December meeting, when policies for the coming year will be adopted.

line the trunk line along 20th street between Madison avenue and Omaha street, has depleted all of the city's reserve sales tax and working cash funds.

Mayor Davis told the Press-Record he has asked by City Atty. William Beatty to determine methods of financing "Beatty" is looking into it now, and as yet we have not had a conference," Davis said yesterday.

During recent council sessions, several aldermen have expressed concern over financing the replacement project, since it will be necessary for any future sales tax revenue and possibly the parking meter reserve of about \$80,000 to be used for general operating expenses.

Alderman Paul Rutledge, chairman of the Finance committee, said it was likely the city would be forced to borrow money through issuance of tax anticipation warrants.

The entire area was reinspected this week by Deputy Sheriff William Thompson, State Detective Cpl. Jule Luber and Trooper William Mercurio and J. Robert Scott, special agent for the Nickel Plate Railroad. No new evidence was found.

At least four persons who heard shots and saw a car along the road about the time of the shooting have been located, but none has been able to provide

### Driver Fined \$924

James H. Garrett, driver for the Berger Steel Co., Indianapolis, Ind., pleaded guilty Monday night before Justice of the Peace Harry Hartman to carrying a load enroute to St. Louis with a gross weight of 68,340 pounds or 9240 pounds overweight. He was released upon payment of the statutory fine of 10 cents a pound or \$924. He was arrested at a U. S. Route 40 weight station in Madison county.

detailed descriptions. Gitchoff said they are to be interviewed again for any possible new leads.

Authorities also have questioned two men who were with Barnes at the Dugout tavern, N. M. O. K. and Edwardville roads, early last Thursday afternoon. They are Robert L. Niehaus, 38, of 2023 Russell street, a car inspector for the Nickel Plate railroad, who found Barnes' body at 4:50 p.m., and Luther Paul, 33, a truck driver, who lives at 2100 West 21st street.

Pfc. Kirkpatrick Takes Part In Maneuvers  
Army Pfc. Jerome L. Kirkpatrick, 19, son of Mr. and Mrs. Jerome W. Kirkpatrick, 2313 Washington avenue, recently participated with other personnel from the 1st Division's 7th Cavalry in Trooper Turnout III, a field training exercise in Korea.

An assistant machinegunner in the cavalry's Company E, he entered the Army in October 1960 and went overseas last April.

The 1960 Granite City high school graduate completed basic training at Fort Hood, Tex.

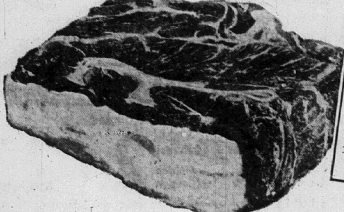

### Madison Rotary Club Plans Smorgasbord

A smorgasbord planned by the Madison Rotary club for Sunday, Nov. 12, was the major topic of discussion at the club's regular weekly meeting yesterday. The dinner is to be held at the Madison Memorial Center from 1 a.m. to 7 p.m.

Approximately 50 members attended yesterday's meeting.

## 14 Vandalism Calls In GC On Halloween

Granite City police received 14 calls regarding vandalism complaints Tuesday evening. On one such call, officers arrived in the 2300 block of Wilson avenue to catch a group of boys turning over trash cans — the boys cleaned up their night's work.

Mrs. Edwin Willard, 2485 Woodlawn avenue, reported to police yesterday morning that the top to her 1955 convertible automobile had been cut in two places Tuesday night. Mrs. Rueben Rainwater, 1921a Benton street, called to say that a balloon, with a rock in it, was thrown through a rear window in her house at 6:45 p.m. Tuesday.

Mrs. Jacqueline Krontz, 1928 Joy avenue, reported that a flower box was taken from her yard Tuesday night and another box was damaged. A fire call at 7 p.m. to the 2000 block of 13th street turned out to be a false alarm.

Patrolmen found a mail box torn off a post at 2800 Harding avenue and took it to the station to await the owner.

Police were unable to find culprits for two prowler calls, a gun shot report, four complaints of boys throwing eggs or apples at cars and one report that a group of older boys was throwing eggs at younger children.

## James M. Cooper Dies Today; Venice Resident

James Monroe Cooper, 82, of Apt. 32, Venice Homes, died at 3:30 a.m. today at St. Elizabeth Hospital, where he had been a patient since suffering a fractured leg in a fall two weeks ago.

Mr. Cooper was a retired Methodist minister who had been a Venice resident 35 years. He had given up the ministry several years ago because of failing health, and worked 10 years as a watchman at the Nestle Co. plant in Granite City before retiring nine years ago.

He was born in Dover, Tenn., but spent most of his life in Missouri before moving to Venice.

Survivors are his wife, Lucy Lee; two sons, Merle and Archie Cooper, both of Venice; a daughter, Mrs. Madge Baker of Fairmont City; a brother, Elias Cooper of Winona, Mo.; two sisters, Mrs. Manda Bretterton of Pawnee, Okla., and Mrs. Vina Brown of Helmer, Ore., and five children and seven great-grandchildren.

Funeral arrangements are given in today's obituary column.

## Fall Injury, Others Treated At Hospital

Harold Adams, 11, of 5025 Lewis street, received emergency treatment at St. Elizabeth Hospital Tuesday following an accident at home in which he injured his right wrist while swinging on a clothes line. He was released after a cast had been applied.

Also treated at the hospital Tuesday were three-year-old Robin Franklin of 2135 Missouri and Dennis Crow, 16, of 4201 Kirkpatrick Homes.

The smaller boy was treated at 9:30 p.m. after he had caught his hand in a wringer on a washing machine. He underwent x-rays and his arm was placed in a sling.

The Crow youth was treated at 7:35 a.m. for a laceration on the left hand. He was released after getting 26 sutures.

## TADPOLES' PARTY

The third annual Halloween party was held at the Madison Recreation Center Monday evening for the Tad Pole Squares. Approximately 200 boys and girls were dressed in various costumes and about 50 parents, some in costumes, also were present. Eighty-four prizes were awarded in contests and games and costume awards went to Charles Yolinski, Janice Lewis, Judy Sharp and Jimmy Melton.

A special round dance exhibition was given by a group taking instructions from Mr. and Mrs. Guy Kinder of Granite City, and slides taken at the Granite City Jubilee were shown. Marvin Shilling of LaVeda, Colo., will be in Madison with the Tad Pole Squares on Dec. 18, it was announced. Shilling is a recording artist and caller. Mr. and Mrs. William Boyd, directors of the Granite City park district square dance program and the Tad Pole Squares have named this area "Junior Square Dance USA," since about 1000 boys and girls between the ages 8 and 14 now are square dancing.

A group of the parents have formed a class for adults and remain after the children are finished with their dance numbers. Refreshments of hot dogs, soda and coffee were served by parents of the boys and girls.

A special business meeting was called Monday evening by parents of the boys and girls of the Tad Pole Squares in regards to the space limitations. No beginners were admitted this year due to space and time. A discussion was held to see how many of the parents and other interested parents would be interested in a square dance barn for this area. Suggestions and assistance in the youth dance program would be appreciated by Mr. and Mrs. William Boyd.

**MRS. DOWNING HOSTESS TO ACE HIGH CLUB.**  
Mrs. Barbara Downing entertained the Ace High Club Monday evening in her home on Waukegan avenue.

Games were played with first prize and the one hundred ace prize won by Mrs. Lorraine Nelson; second, Mrs. Downing; third, Mrs. Wenona Kibort, and fourth, Mrs. Ruth Orr.

A Halloween motif was used in the decorating arrangements and the hostess served a late dessert course to the prize-winners and Mrs. Helen Bowles, Mrs. Rose Perkins, Mrs. Rose Kover, and Mrs. Vivian Sharp. Mrs. Perkins invited the club to meet with her on Nov. 27 at her home, 2201 Delmar avenue.

**LUNCHEON PARTY.**  
Mrs. Emma Jakich entertained at a luncheon party Monday afternoon in her home, 2233 Waterman avenue. Lunch was served in a Halloween setting to Mrs. Shirley Kibort, Mrs. Kay Prusak, Mrs. Wenona Kibort, Mrs. Juanita Kibort and Mrs. Ruth Orr.

Mr. Larry Huett, Stan Rodell, Larry Stawar, Rusty Sharp and David Thomas with their first class badges, and Don Haynes, Charles McMillan and Casey McGee with Star badges.

Lewis Rains, assistant scoutmaster, presented the following boys with merit badges, Charles McMillan, swimming, coin collecting and reading; Stan Rodell, firemanship, cooking and public speaking; Don Haynes, firemanship, cooking, leather working, and public speaking; Neil Bailey, citizenship in the home; James Niel, woodworking and Rusty Sharp and Casey McGee, firemanship.

One-year service pins were presented by Rodell to Gary Guika, Allison Wallis, Craig and Don Haynes, Rusty Sharp, David Thomas, Mike Flack and Larry Stawar and two-year pins to Larry Huett, Neil Bailey and Scott Koles.

Terry Flack, senior patrol leader, announced that the Koles, Craig, Haynes, Casey McGee and Steve Rains were promoted to the rank of assistant senior patrol leaders and presented them with their badge of rank. He also announced that Jim Smith had been elected to senior patrol leader.

Ronald Wilbur of the Eagles presented Terry Flack, Mike Thomas and Tommy Thompson with scout ties and tie clasps. Rodell was presented with a gift from the troop by Billy Thomas and the closing ceremonies were conducted by Tommy Thompson.

**COMMUNION DINNER.**  
Michael Jakich, seven-year-old son of Mr. and Mrs. John Jakich, 2233 Waterman avenue was honored by his parents with a dinner party Sunday afternoon after his communion that morning by Rev. Lawrence Mattingly at St. Elizabeth's Catholic Church.

Halloween decorations were used and guests were his grandparents, Mrs. Juanita Kibort and Mr. and Mrs. Mike Jakich, Mr. and Mrs. William Jakich and children, Billy and Angelina, Mike Jakich Jr., Mr. and Mrs. Kay Prusak and children, Elaine and Nancy, Mr. and Mrs. Louis Kibort and sons, Ronnie and Jeff, Mr. and Mrs. Albert Kibort and children, Kathy, Karen, Kenzie and Keith, and the hostess guest's younger sister, Janet.

**HALLOWEEN PARTY.**  
Mrs. Ruth Orr entertained friends with a Halloween party Tuesday evening in her home, 2241 Waterman avenue.

The costumed guests danced and played games and the hostess had her home decorated in the Halloween theme with pumpkins, black witches and jack-o-lanterns.

A late dessert course was served to Mr. and Mrs. Prusak, Mr. and Mrs. Louis Kibort, Mr. and Mrs. John Jakich and Mr. and Mrs. Bud Downing.

NAMEOKI PTA BOARD

**PANS OPEN HOUSE.**  
The executive board of the Nameoki PTA met Tuesday evening in the cafeteria of the Nameoki grade school with Don Kopp, president, in charge. He announced that Dr. Harold M. Kales, school superintendent, will be the speaker at the regular meeting next Wednesday at 7 p.m., and that a National Education Week open house will be held after the meeting, starting at 7:45 p.m. at which time the school rooms will be open for inspection by the parents. Refreshments will be served in the cafeteria after the meeting.

The board discussed rain helmets for the safety patrol members and made plans to sell Christmas ribbon from now until Dec. 1. Mrs. Sue Champion presented the chairman of ribbon committee, and to serve with her are Mrs. June Eversman, Mrs. Jo Ann Harrison, Mrs. Evelyn Cross, Mrs. Twyla McKinley, Mrs. Lou Jennings, Mrs. Millie Schaefer, Mrs. Mary Lee Larson, Mrs. Millie Schwendeman, Mrs. Betty Feurka, Mrs. Jerry Jackson and Mrs. Wilma McQuinn.

The annual teachers' appreciation lunch will be held tomorrow in the cafeteria, and room mothers will be in charge of the classrooms as the teachers are entertained.

Board members present were Kopp, Russell Robbins, Maurice Steele, Mrs. McKinley, Eugene Monahan, Carl Harrison, Mrs. Sue Anderson, Mrs. Sue Champion and Fred Rehagen.

**INDUCTION CEREMONY FOR GIRL SCOUT TROOP 116.**  
Girl Scout Troop 116 held an induction ceremony Sunday afternoon at Camp Lakota for going into the senior scout rank. Mrs. Catherine Parker, leader and Mrs. Lorain Kniff, co-leader, conducted the ceremony, and presented the scouts with proficiency badges they had earned in the past year.

The ceremony was held inside the lodge of the camp and as scout was to receive her badge, she lighted a candle and interpreted the promise and the law to her.

Scouts receiving badges were Kathy Fraze, Linda Evans, Suzanne Fogle, Paula Hayes, Linda Nance, Linda Ochowski, Cathy Parker, Barbara Pyle, Jennifer Smith, Sharon Strasser, Diane Winters and Janis Zimmer.

The parents, sisters and brothers of the scouts were served interpreted the promise and what itivities by the scouts.

**FIRST COMMUNION FOR CATHY ANN BROWN.**  
Cathy Ann Brown, daughter of Mr. and Mrs. Wilbert Brown of Thorngate road, made her first communion at an early mass Sunday at St. Elizabeth's Catholic Church. Rev. Lawrence Mattingly officiated.

The Browns entertained relatives and friends at a dinner at Brooks restaurant Sunday afternoon. Guests were her grandparents from Staunton, Mrs. Mary Alice Brown, Mr. and Mrs. Clement Castagna, and Mr. and Mrs. Victor Castagna and sons, Victor and Robert, of Edwardsville, Mr. and Mrs. George Land, and Mrs. Louise Ostzwick. The centerpiece of the serving table was a large white cake with pink flowers and a white prayer book. Cathy received many gifts.

**CHILDREN MASQUERADE PARTY AT MERZ HOME.**

## Dog Bite, Fall Injury Get Hospital Treatment

Jody Clark, 54, of 2704 Myrtle avenue, was treated at St. Elizabeth Hospital at 6:30 p.m. yesterday for a dog bite on the lower left leg. He was released after treatment.

Also getting emergency care yesterday was Arthur Vaughn, five, of 2900 Idaho street, who was released after he had stitches for a laceration over his right eye received when he fell against a coffee table.

No county officials were present for the hearing held in the afternoon, but the Quad-Cities area was represented by G. W. Hoelcher, secretary of the East Side Manufacturers' Association, and James Worthen, an official of the Granite City Civic League.

Hoelcher and Thomas Butler of Alton, representing manu-

## County Loses Again In Appeal For Tax Relief

Madison county officials are faced with continuing deficit spending or a tax rate referendum as all hope for tax relief was lost at Springfield yesterday when the Senate revenue committee voted 10-to-5 against an emergency proposal to aid Madison county and 11 other counties in the state.

Opposition was voiced by the Illinois Taxpayers' Federation and the Illinois Real Estate Board, whose representatives also had filed objections during House revenue committee hear-

ing on Oct. 18 when a similar bill was killed. The Granite City and the Edwardsville-Collinsville real estate boards voted recently to support the county's appeal for tax relief, and senators criticized the organization during the hearing for not representing all realtors in the state.

State Rep. Lloyd "Curly" Harris of Granite City also attended the senate hearing and spoke in favor of the emergency measure. However, the senate committee expressed its majority opinion that Madison county officials either were unaware of an invalid tax rate or law and should have presented the 10-cent rate to the voters in a referendum at an earlier date. It was the committee decision not to validate through its action any illegal tax rate.

Following the Oct. 18 hearing before the house committee, county officials discussed the

possibilities available to reduce deficit spending. Suggestions were to cut staffs of county offices, reduce the number of workdays at the court house to impress voters with the need for tax relief. Also being considered is a tax rate referendum.

The county, which starts a new calendar-fiscal year next Jan. 1, has been operating on a five-month budget in hopes for tax relief, and is now beginning to prepare a 12-month budget.

Nearly 1000 students participated in the formal rush week college representative was un-

## 'Career Day' Held At Madison High

Madison high school juniors and seniors took part in the school's eighth annual "Career Day" program yesterday afternoon. Twenty-eight persons, representing seven different vocations, were present to answer the student's career inquiries. Guidance Counselor Richard Brown introduced the guests at a brief assembly in the school auditorium prior to the students separating into groups to ask a specific representative about future placement in their field. Brown reported that one student, a nursing school representative arrived.

**AMMUNITION MUSEUM** of the 50th Ordnance Detachment, Granite City Engineer Depot, recently on tour of county and state fairs. It went into service to show civilians what dangerous war souvenirs are like. The bomb disposal squad is often called on to investigate items people have at home that "look like this, that, or the other thing." More than 50,000 people are expected to view the display this year.

**ROCKETS AND MINES** are among the items of training ammunition on display in a special traveling museum prepared by the 50th Ordnance Detachment, Granite City Engineer Depot. The collection is housed in a trailer from which was prepared by adding steps, a canopy, ventilating fans and installing fluorescent lighting. The museum has not been displayed downtown locally, but a civic office might request it soon.

## Army Traveling Museum Features Explosives

A mobile museum of lethal war explosives is touring southern Illinois and eastern Missouri, compliments of the 50th Ordnance Detachment, Granite City Engineer Depot.

Purpose of the museum, located in a specially rugged trailer van, is to show civilians what hazardous explosives look like. The 50th is a bomb disposal unit. "Many people report items at home that look like this, that, or the other thing they see in the display and these items are then inspected and removed by trained explosive disposal personnel," a spokesman said.

The van will have been inspected by more than 50,000 people before the year ends. First used in the state Armed Forces Week display in St. Louis, it has also appeared in county and state fairs.

The display consists of inert items of ammunition from the

units training collections, such as 1 and 2 mm. rockets, hand grenades and shells.

The 50th Detachment decided on the trailer when it seemed the best way to perform its primary mission—removal of the potential hazard of souvenir explosives—would be to show civilians the items under controlled conditions.

All movements of the van are cleared with the Main Recruiting Station in St. Louis. The service also supplies local publicity and the van assists them by attracting prospects.

Its crew consists of an explosive disposal technician and an Army recruiter while on display at fairsgrounds.

Present plans do not call for the museum to be displayed in the Quad-Cities, but it was pointed out that a request from a civic group would probably be sufficient to obtain the museum at a downtown location.

#### Gran Turismo Hawk Now Shown At Elledge Motors

A new sports-style hardtop automobile, Studebaker's Gran Turismo Hawk, is now on display at Elledge Motor Co., 19th street and Grand avenue, local Studebaker dealer.

The Gran Turismo combines the low silhouette and sloping lines of European design with the interior appointments of traditional American comfort and convenience, a spokesman for the firm said.

It is powered by a 289 cubic inch V-8 engine that develops 210 horsepower, with an optional four-barrel carburetor that brings the rating up to 225 horsepower. Conventional three-speed transmission, overdrive and automatic transmission are offered, and a special four-speed transmission with a floor shift is also available.

Front bucket seats are standard on the Gran Turismo, which seats five, with reclining seats with individual cushions and backrests optional.

A charge of careless driving was placed against Henry G. Freeman, 59, of 2206 Namreki road, who police said was involved in an accident in the 2900 block of Myrtle avenue. He posted his driver's license, as bailed.

The report shows Freeman was traveling south when his auto struck a parked car belonging to Robert Dant, 1715 Third street, Madison.

#### Teachers Certificate Exam Set For Nov. 17

Wilbur R. L. Trimpe, county superintendent of schools, announced today that an examination for teachers' certificates will be given in Edwardsville at the county superintendent's office in the court house on Friday, Nov. 17, beginning at 9 a. m. Applicants who wish to take the examination must have 60 semester hours of training, including six hours in professional education, from a recognized college or university, Supt. Trimpe said.

They must present a letter from the State Teacher Certification Board stating they are eligible to take the examination. Examinations can also be taken at this time on the Constitution of the United States and the state of Illinois.

Applicants who wish to write the examination are asked to notify the office of the county superintendent, so that enough sets of questions may be ordered.

#### Red Cross Jobs Open

Positions with the American Red Cross are available immediately for men. It was announced today by Mrs. Ruby Overbeck, at the Tri-City Chapter of the American Red Cross. Further information may be obtained by contacting her at the office, 2035 State street.

Fennel seed gives a mild licorice flavor; some Scandinavian cooks like this flavor in simple fish dishes.

**PARTY FOR ORCHESTRA**  
Mr. and Mrs. Richard Jones, 4145 Highway 111 entertained with a Halloween party for the Coolidge Junior high orchestra and their guests Sunday. Games were played with prizes given by Mrs. Jones. Present were Charles O'Dell and Charles Polley. Others present were Diane Custis, Loy Stage, Jimmie Charlton, Frank Vivio, Ed Jones and Ricky, John and Steven Jones. Refreshments were served by the hostess and the evening was spent dancing.

#### BROWNIE PARTY

Brownie Troop 121 met Tuesday evening with Mrs. Edna Getteman. The girls answered the roll call on topics of Halloween and played games. After a skit, they told jokes, riddles and poems. Refreshments were served to Jean Funkhouser, Sandra, Pamela Bringer, Sharon Hughes, Brenda Mistoler, Sandy Deersman, Elaine Rosatto, Judith Baker, Debbie Grace, Sally Getteman, Mimi Midyett and Kay Neiminger.

#### DEN TWO MEETS

Den Two of Cub Pack 23 held its first meeting Tuesday evening with the new den mother, Mrs. Frances Harper, who was assisted by Mrs. Jessie Hicks. The meeting opened with the pledge and games were played. They discussed the theme of the month, "Magic," and Mrs. Harper showed several tricks. Refreshments were served to John Harper, Danny Dalger and a guest, Jimmy Hicks.

#### NEW DEN MOTHER

Den Four of Cub Pack 23 met Monday evening with their new den mother, Mrs. Edna Barron. The meeting opened with the pledge and games were played. The meeting closed with the living circle. Present were Bill Barron, Scottie Rushing, Mike Norton, Berry Brown, Chester Dean, David Dayton and the Den Chief, Dennis Boyer.

Mr. and Mrs. James Hoshino, 3829 S. street, returned home Sunday night after spending the weekend at Ava, Ill., visiting his father, Oscar Hoshino.

#### PACK MEETING

Den Three of Cub Pack 23 met Tuesday with Mrs. Betty Walker on Rural Route One. The meeting opened with the pledge and the boys sang three songs. They made paperweights with plaster and sea shells and played a game. Present were Leonard Walker, Gregory Walker and Bobby Bunselmeyer.

Mr. and Mrs. Lee Epperson, 3841 B street, and Mrs. Epperson's sister, Mrs. May Stein and daughter, Marjorie and Bertie, motored to St. James, Mo., Sunday to visit their brother and sister-in-law, Mr. and Mrs. L. H. Hughes. Mr. Hughes entered the hospital in Columbia, Mo., Monday to undergo surgery.

Mr. and Mrs. Marvin Ward, 3840 B street, returned Monday evening after a five-day vacation. Mrs. Ward is visiting her mother, Mrs. Ray Knight at Greenville, Miss., and Mrs. M. B. Hastings at Memphis, Tenn.

#### Two-Car Collision

Damage to the left front of an auto driven by Jasper L. Holeyfield, 42, of 3905 Buxton avenue, and the right side of a car driven by William T. Smith, 18, of 3213 Harding avenue, was reported at 12:05 a. m. yesterday. Police said that Holeyfield was coastbound on Niedringhaus avenue and Smith was making a right turn off 19th street onto Cleveland blvd. when the collision occurred. No injuries were reported.

Mr. and Mrs. Charles Pitts and children, Charles Jr., Charlotte and Joyce, 4125 Lake drive, returned home Sunday after spending three days visiting his parents, Mr. and Mrs. Wally Pitts at Mounds, Ill.

Milton Sherman motored to Dix, Ill., Sunday to visit his mother, Mrs. Frank Sherman. It's paradoxical — the man who is down and out is generally up against it.

#### Calvin Wilson, Former Resident, Dies In California

Word has been received here of the death yesterday afternoon at San Bernardino, Calif., of Calvin Wilson, former Granite City resident and brother of Forest and Coy Wilson of this city.

Mr. Wilson was 59 years of age and had been ill with a heart condition. He was a former employee of American Steel Foundries. He moved from Granite City to St. Louis in 1933, and went to California in 1933. In addition to the two brothers here, he is survived by his wife, Mildred; a son, Jack; three other brothers and a sister. He will be returned to St. Louis for funeral services and burial.

Add drained minced canned clams to a savory hot tomato sauce and serve over spaghetti; pass grated Parmesan cheese if you like.

### Attend Convention

Francis H. Clanton, president, minister of the Granite City congregation of Jehovah's Witnesses, and approximately 70 delegates from this area, have returned from Gillespie, Ill., where they attended a three-day convention. Among the 40 persons baptized in symbol of their dedication to serve God and Christ were: Angelo and Letta Bruno, and Barbara and Nancy Dayton of this city.

### Robert Douglas In New Disaster Shelter Corp.

Robert Douglas, who operates the Douglas Real Estate Agency at 1835 1/2 State street, is named as principal stock holder in a new corporation chartered by Charles F. Carpenter, secretary of state.

The new firm, Disaster Shelters, Inc., is listed as a Granite City corporation, but Douglas said its main office will be in Belleville. Other principal shareholders are Eugene E. Pauley and Margaret Pauley, both of Belleville.

### 3272 Quad-City Pupils Ride To School Daily

A report released this week by William R. L. Trimp, Madison county superintendent of schools, shows 2973 Quad-City children are transported over a mile and a half daily to and from school. An additional 299 pupils ride less than 1 1/2 miles daily. Thus 3272 children ride to school daily in the Quad-Cities.

Granite City transports 2300 students more than 1 1/2 miles and 15 less than 1 1/2 miles daily. Four hundred Madison school children travel over a mile and a half daily and none travel less. Venice pupils are almost equally divided—273 come over 1 1/2 miles and 284 travel less than that mark.

In picking up the Quad-City children, busses travel 1274 miles daily. A breakdown of the mileage figure indicates that Granite City vehicles travel 800 miles daily on paved streets and 350 miles on gravel or oil roads. Madison busses cover 10 miles of pavement and 10 miles of oil or gravel roads while Venice transportation is divided into 79 miles of pavement and 16 miles of dirt roads.

Venice has three busses and 10 small vehicles for transportation purposes and also has three regular drivers and one substitute driver. Neither Granite City or Madison schools have vehicles or drivers.

### More Children Eligible For Vets Educational Aid

The Illinois Veterans' Commission announced today that a bill passed by the last session of the state legislature and signed into law by Gov. Kerner makes the state educational benefits under the Veterans' Children Educational Opportunities Act available to a few more children of certain deceased veterans.

Joseph D. Wetton of the local IVC office said the bill provides this benefit for the children of certain veterans who died in service or from a service-connected disability incurred during the following induction periods: Sept. 16, 1940, to Dec. 8, 1941; Jan. 1, 1947, to June 26, 1950; and from Feb. 1, 1955, to end of induction period.

He further explained the cause of death had to be the direct result of actual military duty or from extra hazardous service.

Wetton advises any parent or guardian who feel that their children or wards come under this law and are entitled to this educational assistance should contact his office at the city hall in Granite City, 8:30 a. m. to 5 p. m. daily, Mondays through Fridays.

### Mitchell Kiwanis Club Hears Fellowship Report

A report on the fellowship meeting at Glen Carbon and a discussion of fund raising projects filled the regular weekly meeting of the Mitchell Kiwanis club Monday night.

Seven members of the Mitchell club, six with their wives, attended the meeting with the Glen Carbon Kiwanians last Thursday. They reported on the fellowship meeting to the rest of the club Monday night.

The remainder of the meeting was devoted to fund-raising possibilities, with two projects slated to begin in the near future. Nine members attended the meeting.

### Was Not Hospitalized

Mrs. Mae Benda, 79, of Bayle City, Ill., who suffered minor bruises in a two-car accident Sunday evening at Ridgeway avenue and Edwards street, was not taken to the hospital by ambulance and did not require medical care, it was learned from her son, Ross Benda, 2414 Name-old road, with whom she was riding. Benda said his mother walked to his home a short distance away after the accident.

HARVEY MILLER, Mgr.

pers in continuing their review of the department.

"Two agencies in Granite City interest themselves in the control of juvenile delinquency. These are the police department and the Co-Ordinated Youth Services, a United Fund agency."

"The Co-Ordinated Youth Services, with office space in the city hall in Granite City, has a staff of three persons, a director, assistant director and secretary, and operates on a budget of about \$15,000. The jurisdiction of the agency includes Granite City, Madison, Venice and the rural areas surrounding these cities. The agency serves a population of nearly 100,000 with this limited staff."

"There is no formal organization within the police department for handling juvenile cases. Generally they are turned over to the Co-Ordinated Youth Services for action and follow-up. The CYs also receives cases on referral from citizens, parents and from church and social agencies. Their function is seeking foster homes, employment and correctional activities for the young people who have gotten into trouble with the hope of returning them to society as useful citizens."

**Legal Division**  
"There is a logical division between the activities of the police department in apprehending juvenile law breakers and the social agency in attempting correction and rehabilitation in juvenile cases."

"The activities of the one, with proper cooperation, need not duplicate the activities of the other, responsibilities of the other. The handling of problems relating to juvenile delinquency in Granite City cannot be adequately met by the present organization."

"In order to meet the juvenile problem and to serve the area more effectively, it is recommended that an officer be designated as a juvenile officer."

recommended that an officer in the police department be designated as the juvenile officer.

"The most logical individual would be the sergeant of detectives. All cases involving juveniles should be referred to this officer for investigation. His duties would include:

"1. To review and investigate all crimes and occurrences in which juveniles are involved."  
"2. To refer to proper agencies including the Co-Ordinated Youth Services and to cooperate with them through exchange of information and conferences and recommendations on individuals."

"3. To maintain a close liaison with the referral agencies, schools and civic agencies in Granite City, particularly those interested in the welfare of juveniles. He should work with the recreation director of the park district in attempting to serve areas where preventive programs are needed."

"4. To study the methods used by other cities for the control of juvenile problems and to cooperate with the officials in neighboring police departments responsible for juvenile activities."

"The officer in the police department assigned to handle juvenile problems should receive some specialized training in the causes, problems, psychology and handling of juveniles."

"He should also be used in the departmental in-service training course to give lectures on the handling of juveniles to the rest of the police force."

"The development of a juvenile officer in the police department will demonstrate to the citizens of Granite City that the police department has an active interest in the welfare of its youth and is willing to do something about it."

"This is an additional function assigned to the police department, but it is vitally necessary and will not detract from the overall police operation."

"It should also be used in the departmental in-service training course to give lectures on the handling of juveniles to the rest of the police force."

## Neumanns Have Dual Purpose Storm, Fall-out Protection

It was built for a storm shelter, but today it could be used for effective protection against radioactive fallout from a nuclear explosion.

"Maybe my husband had the foresight to plan it as a fallout shelter, but not me," said Mrs. Elmer D. Neumann of 1551 Cottage avenue.

She was discussing the Neumann's underground concrete vault, built with the house in 1953. A few years earlier it might have been called a bomb shelter. Today it might be called a fallout shelter.

The Neumann family moved to Granite City from Poplar Bluff, Mo., building the modern brick home to meet their own requirements.

against storms and tornadoes," Mrs. Neumann said, "and decided to include the storm shelter."

Built directly under the living room, the shelter is constructed of solid, reinforced concrete. Entrance is gained through a small doorway opening from the corner of the basement, and at the back of the shelter is an escape hatch which opens to the outside.

Gas and electricity to the entire house can be shut off at controls inside the shelter, which is now stocked with a two-weeks' supply of food and water.

"As a matter of fact," explained Mrs. Neumann, "it provides a convenient storage space. When I run out of something I can run down here and take a can off the shelf."

**Useful Furnishings**  
She said the underground space also has provided a storage area for such items as a picnic basket, complete with eating utensils, and a folding card table. These serve as regular furnishings for the shelter, but are easily removable if needed for picnics or other purposes.

The area also contains a small couch which makes into a bed, and three chairs, plus books and games to provide entertainment should a long stay be necessary.

Neumann, who is a general building contractor, said 18 customers have so far shown no specific interest in built-in fallout shelters.

The Neumann's close neighbors and relatives all know about the shelter, he said, and the door is always open in case of storm warnings.

**Relaxing Here**  
And whether a fallout shelter should ever be needed or not, his wife added, "It's nice to have a storm shelter. It's really relaxing down here, where we can't hear the noise outside at all."

The two Neumann children, Danny, 15, and nine-year-old Mary Ann, take the shelter for granted. Danny, a sophomore at Granite City high school, is recognized by other members as the nuclear fallout expert in the family.

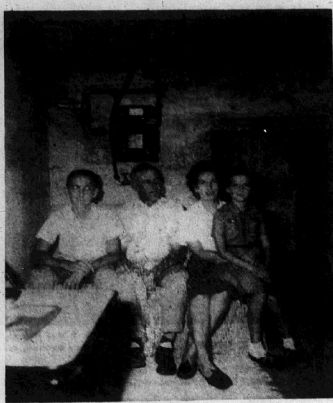

To Mary Ann, who goes to Nameoki school, the whole thing is very unimpressive.

"What's so special about us?" she asked. "Doesn't everybody have one?"

**Local Insurance Agents Attending Convention**  
Six Granite City insurance agents are among those attending the 62nd annual convention of the Illinois Association of Insurance Agents at the Chase Park Plaza Hotel in St. Louis this weekend.

Local agents attending are William E. Ashby, Milton G. Reinhardt, Robert A. Rouland, Walter E. Nighis, George Slatery and Charles C. Thibault. The meeting normally attracts about 800 men and women from all parts of the state.

**Madison Ave. Accident**  
Involved in an accident Monday at 30th street and Madison avenue were a taxicab driven north on Madison avenue by William E. Thomason, 36, of 1736 Cleveland blvd., and an auto operated west on 30th street by Wilbur D. Monk, 31, of 2913 Iowa street. Police said the taxi skidded on wet pavement as Monk was forced to pull out as a truck was making a turn. No injuries were reported.

THE ELMER NEUMANN FAMILY poses in what may be the first fall-out shelter to be built in the community. Actually, it was constructed in 1953 as a storm shelter, and now serves a dual purpose. Shown, from the left, are — Danny, 15; Mr. Neumann, Mrs. Neumann, and nine-year-old Mary Ann.

Greener, 48, of O'Fallon; and Gene E. Beckham, 25, of 2019 Fourth street, Madison.

All posted vehicle operator licenses as bonds with the exception of Beckham, who put up \$11 cash bail.

## Overbeck Returns From National PM Convention

Granite City Postmaster Theodore Overbeck returned to work Tuesday morning after recently attending the National Postmaster's convention in Denver, Colo. He and his wife attended the five-day meeting with Mr. and Mrs. Samuel Plant. Plant is the postmaster at the National Stock Yards.

Overbeck reported that over 2800 postmasters attended with 150 representing the state of Illinois. Postmaster General Edward J. Day and Assistant Postmaster General H. W. Brawley were present with the executive board members from Washington, D. C. All phases of postal work were discussed and Pittsburgh, Pa. was chosen as next year's convention site.

# Winning Season Assured if GC Can Trip Quincy

VIC BUEHLER

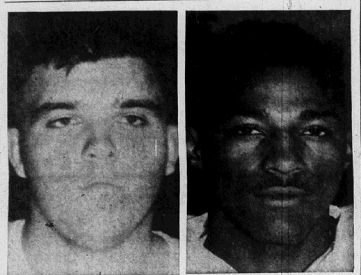

## Shorties (5'7") Pindell And Buehler Long On Effort Against EHS Tigers

They both stand only 5-7, but lack of height did not keep Don Pindell and Vic Buehler from turning in efforts last Friday which won them linemen and back of the week citations from the Granite City high school football coaching staff.

Both are repeaters in the weekly quiz of coaches this fall. Pindell, a 204-pound senior guard, became the first GCHS player to be selected for the fourth time this season.

He led the Warrior defensive platoon with eight tackles in a 20-13 win over Edwardsville, and also is the first local player to be named an outstanding lineman in two successive weeks.

Pindell led a defensive charge which forced the Tigers to run outside the tackles most of the evening last Friday, and limited Edwardsville to a net of four yards gained on the ground in the second half.

SAM DYMAS

## Dymas, Griggs Cited For Their Role In Trojan Title Clincher At Highland

Ken Griggs, a Trojan scabbard, and "Little Sam" Dymas, Madison's anchor lineman, have been named "players of the week" by Coach Glen "Pick" Pickering for their role in the Highland's Bulldogs' Friday night.

The win gave the Trojans an undisputed Midwestern Conference grid crown.

In selecting Griggs as his backfield standout, Pickering has now recognized the flashy halfback three times this season. He was cited for his play against Cahokia and Bethalto prior to Friday night's performance.

Against a fired-up Highland team playing before a homecoming crowd, Griggs lugged the leather 18 times and picked up 84 yards while being thrown for losses totaling 22 yards. His net of 62 yards is far below his average of 4.8 yards-per-carry, but a play executed by him was

## Blue Devils, Winless In Six Games, Bring Unorthodox Style Here Friday

"Kick 'em while they're down" may not sound much like the approved, healthy athletic outlook, but figuratively at least, Granite City high school's football Warriors have adopted that motto for tomorrow night's non-conference contest here with Quincy.

Andy Sullivan's club will seek its fifth win of the waning season against a Blue Devil eleven which may yet to taste victory in six games this fall. A favorable GCHS showing would insure the Warriors of an above .500 season for the first time since 1958.

"I guess you'd have to call it a rebuilding season," observed Clell Wade, head coach at Quincy who runs his boys from an unorthodox wing-T formation which looks powerful on paper but has not produced the desired results.

Only six seniors are listed in Wade's starting lineup, and the coach predicted that several of these would give way to sophomores and juniors at some point in the year. "I'm looking for a next season, of course," he said.

The strength of a seven-man defensive line in the second half of play forced the Tigers to take to the air, and that was where Buehler excelled on defense.

Despite his lack of height and speed, Buehler was between the ball and intended receiver on four occasions in the second half. He didn't make an interception, but neither did the intended receiver get the ball.

The 170-pound senior, who has "up and down" ballgames, according to one member of the coaching staff, was "up" Friday night. He scored two GCHS touchdowns on ballish charges and set up a third with a 45-yard gallop to Edwardsville's one yard line.

Although not fast, Buehler has broken away for the longest gains of any GCHS back this fall. He chalked up 116 yards in 10 carries last Friday, and now leads the squad in average yards gained per carry.

## Sauget Takes Lead In Prep Point Parade

For the first time in their seven-week battle for individual scoring supremacy in district football circles, Belleville Cathedral's Rich Sauget has over-

The Crusader quarterback scored all three of his squad's touchdowns Saturday in a losing effort (20-26) at Channahin in a Catholic league upset, and boosted his point total to 72 for the season.

Petty, limited to one six-point game at Highland, now has 68 for the season. The Trojan halfback will appear in only one more contest — next Wednesday night against Gillespie, while Sauget will have a chance to pad his present total in games with Marquette (Saturday), Lincoln (Nov. 11) and Assumption (Nov. 17).

Moving up into third position this week is Belleville Fullback Bob Englebreton, who accounted for 18 points during the Maroons' surprisingly easy 25-0 victory Saturday at St. Louis.

End Bill Boyd and Tackle Ken Berry, new at those positions in Edwardsville, are listed as starters there again. Larry Corey, victim of one of those off-the-field accidents which turn coaches' hair gray — he stepped on a nail — will be ready for some duty at an end post here Friday, Sullivan said.

## Braves Shoot For Record, Unbeaten Season In Belleville

Coolidge junior high school's football squad will attempt to establish a school record this afternoon when the Braves travel to Belleville to engage the Maroon freshman squad at 4 p.m.

Behind a big defensive line, the Coolidge club, coached by Frank Kraus, John Tonoff and Chuck Weiss, has amassed 193 points and held the opposition scoreless while winning six straight this fall.

Today's game in Belleville is the season's last for the Braves, who could set a mark for future teams to shoot at. They will hold the freshman Maroons scoreless.

## MHS's Griggs-Petty Combo, Granite City's 'New Look' Account For Good Statistics

Madison's Midwestern Conference champions and Granite City's Warriors, with their one-week-old "new look," are both enjoying complete revivals of a year ago — and their seven-game statistics attest to it.

Less than 12 months ago the two local football schools ended their seasons with mediocre records — Madison finished 2-5-1 and Granite City sported a 1-8 overall mark.

Now the Warriors, who only won a year ago against Madison, are 4-2-1. The Trojans, who have won five straight MWC games since dropping a 21-13 decision to Granite City, are carrying a fifty 5-1 record, plus the league crown.

Coach Glen "Pick" Pickering's Madison gridders have developed a defense that allowed a net 847 yards or an average of 121 yards per game. Meanwhile, the Trojan offense, which is led by a powerful one-two punch, has amassed a net 1841 yards for an average of 259 yards per game.

Pickering's offensive punch is the combination of Ken Griggs and Ed Petty. Together the two flashy halfbacks have accounted for 1532 yards of Madison's total offense. Griggs has netted 633 yards rushing and has thrown for another 100 yards. Petty has netted 899 yards rushing and has thrown for another 100 yards.

Griggs' City's Warriors, coached by Andy Sullivan, unveiled something new last week against Edwardsville's Trojans. Known for their defense prowess, the Warriors featured a "new look" offense with the converted end Bret Bjorkman leading the signals from the quarterback position.

Bjorkman guided Sullivan's charges to a 19-13 Southwest Conference victory Saturday, completed a season high for themselves this year by rushing for 379 yards against their hosts.

## 1962 Rambler Brings You 102 Improvements

Rambler has passed all but two other makes in sales (latest official registration figures, January-August).

**OCTOBER BREAKS ALL RECORDS**  
Since the 1962 Ramblers were introduced, Rambler sales have soared above any October in history. Rambler shares its progress with customers by offering an obviously better value for 1962—102 improvements: Self-adjusting Double-Safety Brakes—new Road Command Suspension, 33,000-mile chassis lubrication on Classic and Ambassador—4,000-mile engine oil change—oil filters standard—low-cost 2-year coolant—2-year battery—many more.  
Check value! Check price tags! Learn why 60% of our customers switch from other make cars.

**New Lower Prices on All '62 Rambler Models**  
Rambler Ambassador V-8—Every '62 model at least \$200 lower than '61.  
Rambler Classic—From \$50 to \$230 lower than '61.  
Rambler Ambassador—Already America's lowest priced, but most models now lower by at least \$100 than '61.

**1962 Rambler Prices Start at \$1846**

# Farm Column

By TRUMAN W. MAY  
Madison County Farm Adviser

Madison County Farm Adviser

Farmers have been trying to get started harvesting corn, but the rains have made most fields too soft for tractors and pickers to operate. With drier weather, a lot of corn will be picked during the next couple of weeks.

Stalk rot, reported to be the worst for many years, will cause more corn to go down and increase harvesting losses if wet weather delays the harvest. Winds will increase the trouble, of course.

Reports from over the state indicate that about two-thirds of the fields show 10% or more breakage. Damage is heaviest in central Illinois, but fields in all areas of the state show some damage from stalk rot. As a result of disintegrated stalks, farmers will have more than the usual headaches with clogging pickers. It will take a little more time, and the accident hazard will be increased.

Gilberella appears to be causing most of the stalk rot, says Mal Shurtleff, plant pathologist of the University of Illinois. This type causes a more complete collapse than other types. Apparently growing conditions were just right this year. Karly growth, high fertility, especially large amounts of nitrogen in relation to other elements, high population of corn plants—all these factors coupled with dry weather in August and early September set the stage for the stalk rot invasion. Any factor that causes stress tends to increase the possibility of stalk rot.

Much of the down corn is due to rapid growth which produced a weak stalk. When hot, dry weather and winds from hurricane Carla struck, the corn broke. Much of the down corn by strong winds will be difficult to harvest, since it didn't mature properly. In many cases, the ears have split and shredded. Pickers will be hazardous under these conditions. Most of the week-jointed corn hit by Carla's winds were thickly populated plantings of 20,000 or more plants per acre. So whether it's stalk rot, or weak stalks coupled with hot, dry weather that's causing down corn, the longer it's left, the worse corn harvesting will be. It will pay to get into the field as soon as the corn is dry enough—21% or lower, depending on facilities for drying and storage.

Just ahead of corn harvesting is a good time to clear out the corn cobs to reduce the infestation of stored-grain insects. Sweep out all old grain and other debris inside and under the crib. Spray ceilings, walls and floors with methoxychlor or malathion solutions. If you are storing shelled corn for several months, treat the grain as you store it with a malathion spray or dust. Do not apply before drying.

Steve Moore, extension entomologist of the State Natural History Survey and the University of Illinois, will be in Madison county next week to check on the results of the farm fly control demonstrations conducted here during the past several months. The cooperating dairymen were Raymond Hess, Rudy Kuttin and Melvin Wolf. Different control methods were used on these farms and reports of the results will be made when the work is completed.

Flies are a problem on many farms this fall, states Moore. As fall crops into the air, house flies and face flies move indoors. The houseflies plan to bother you all winter. However, the face fly is looking for a place to hibernation.

Flies cluster around support post tops and windows, on ceilings and in warm, sunny spots in homes, attics are a favorite fly hangout. Moore emphasizes that there'll be fewer face flies next spring if the flies are controlled now. For barns, he recommends using a residual spray of Diazinon or Runtel on the ceiling and walls. You can also brush a 0.2% DDVO sirup bait on places where the flies light. If you use a fogger, Moore suggests fogging the barn once a week for the next three weeks.

For attics, smear the 0.2% DDVP sirup bait on small pieces of cardboard, tin can lids or bottle tops. To fog attics, use an aerosol bomb containing at least 0.1% pyrethrin. Fog several

times because the flies keep coming in. As with all insecticides, read the directions before using.

The complete results in the Groetefield plot are: 1. Kent 43.1 bu. per acre, 2. Shelby 43.3, 3. Harvey 43.4, 4. Clark 42.6, 5. Ross 42.3, 6. Scott 40.1, 7. Harrow 38.8, 8. Henry 37.5, 9. Madison 37.3, 10. Lincoln 36.5.

The Kent variety also yielded well in the test grown by Earl Olive of Alhambra township, making the same as the Clark, just behind Shelby, the highest of the 10 varieties grown. Kent matures about a week later than Clark. It probably will not be grown much farther north than this area because it is late-maturing, but a large acreage will likely be grown farther south.

The annual meeting of the Madison County Hustler Club will be held the evening of Nov. 1 in the social room of the E. & R. R. at Highland, starting with a dinner at 7 p.m. Dick Mathews, fieldman of the Illinois Hustler Association and William Tracy, Jerseyville, president of the state association, will speak at the meeting. Other members are invited to attend and should notify Leonard Steinhilber, Highland, club secretary, in advance.

About 830 Madison county farmers have had soil samples tested in the county laboratory this year. The time for testing and applying lime—shown by the test to be needed is growing short. Other farmers wanting tests should bring in their samples right away.

Fall is a fine time to have your soil tested and to apply lime, phosphorus, and potassium to your fertility buildup program. You can have more time between other jobs than in the spring. Also, you may get some discount price. If you use lime-growth fertilizer in the fall with heavy trucks, compaction in wheel tracks should not be a problem because freezing and thawing and wetting and drying of the soil over winter will eliminate it.

Agricultural instructors from 18 high schools in this part of the state met at the laboratory in the Farm Bureau building last week to discuss soil testing methods.

The annual county 4-H club achievement program, and crop show will be at the laboratory in the Farm Bureau building at 9 a.m. at the Edwardsville high school.

**Professor Conducts Women's League Course**

A conference leadership training course for members of the Granite City provisional League of Women Voters has been completed this week, under the direction of an SUU faculty member.

Assistant Professor Robert B. Hawkins, a member of the fine arts department at Southern's Altan Center, conducted three two-hour sessions to help members partially fulfill requirements needed to qualify as a full League.

Specialists in area industries and businesses are conducting other courses for members of the Provisional League.

The League of Women Voters is a non-partisan organization which studies community, state and national problems of concern to voters and presents the facts about the problems to the public.

## New Church of God Dedication On Sunday

Dedication services for the recently completed Church of God, 2301 Orville avenue, will be held Sunday, following night services this week.

The services will be held throughout the day Sunday, according to an announcement by the pastor, Rev. C. N. Steele, and a basket dinner will be served at noon.

The dedication will be at 2 p.m. when Mayor Leonard Davis will deliver an address. The dedication speaker will be Rev. C. M. Jenkinson of Mt. Vernon, Ill., state superintendent for the Churches of God.

The new church building has a large sanctuary, six Sunday school rooms and the pastor's study.

**Local Student Teachers**  
Joyce C. Foxman of this city, and Judy Hilde of Madison are among students from this area at Southern Illinois University in Carbondale who are doing student teaching in 28 different communities this fall.

Charles E. Spivey, 36, of 1313 Second street, Madison, was fined \$5 at 3 p.m. Tuesday on a charge of blocking a driveway in Madison.

## Venice Vandals Smash Windows, Throw Bottles

Venice police were besieged with calls on acts of vandalism Tuesday night, with several large plate glass windows broken. The Hallowe'en vandals were not located.

At 7 p.m., two plate glass windows at Joe Hoffman's store, Meredith and Market streets were reported broken, and five minutes later a window in the front of Verline's Store on Selby street was smashed.

A Community Coach Co. bus driver reported at 8:30 that vandals had broken a window on his vehicle, and at the same time a report was received of a large plate glass window being broken at Dudley's Cafe on Market street.

At 9:30, a police patrol car was a howled with beer and wine bottles and three rocks on a street department truck.

An hour later, two plate glass windows in the front of the Island Food Center store at Brewer and Slough road were broken, and police discovered at 1:40 a.m. yesterday morning that both plate glass windows at the old 118 Club had been broken.

## Fighting Choked

Donald Zeigler, 19, no address given, and William Smith, 17, of 2813 Harding blvd., were arrested in the 200 block of Rock road at 9 p.m. Tuesday and charged with fighting. Police took the two boys to St. Elizabeth Hospital for emergency treatment, and later the pair was released on \$16 cash bail each.

## Antenna Broken

Leo Halligowski, 1606 Seventh street, Madison, told police vandals broke the radio antenna off his car Monday night or early Tuesday morning as the car was parked in front of his home.
